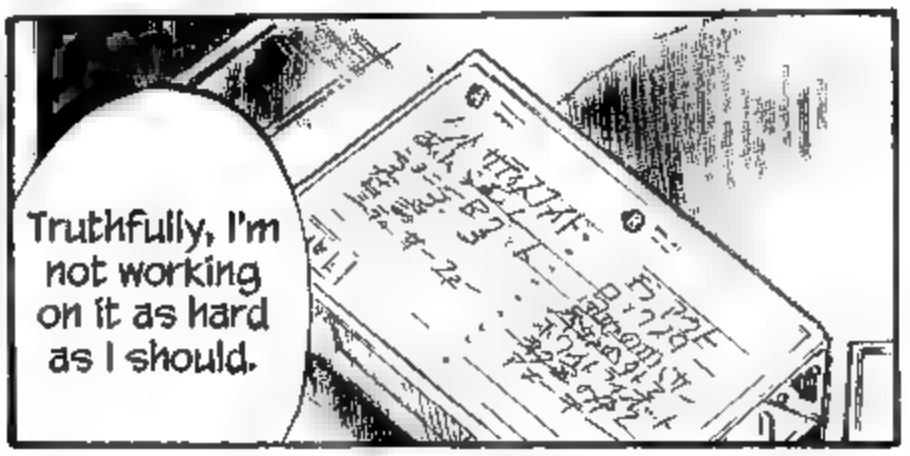
Why don't you join up with us in Tokyo?



Truthfully, I'm not working on it as hard as I should.

The truth is... Two of my close friends died and so we're gonna hold a huge gathering in their name.

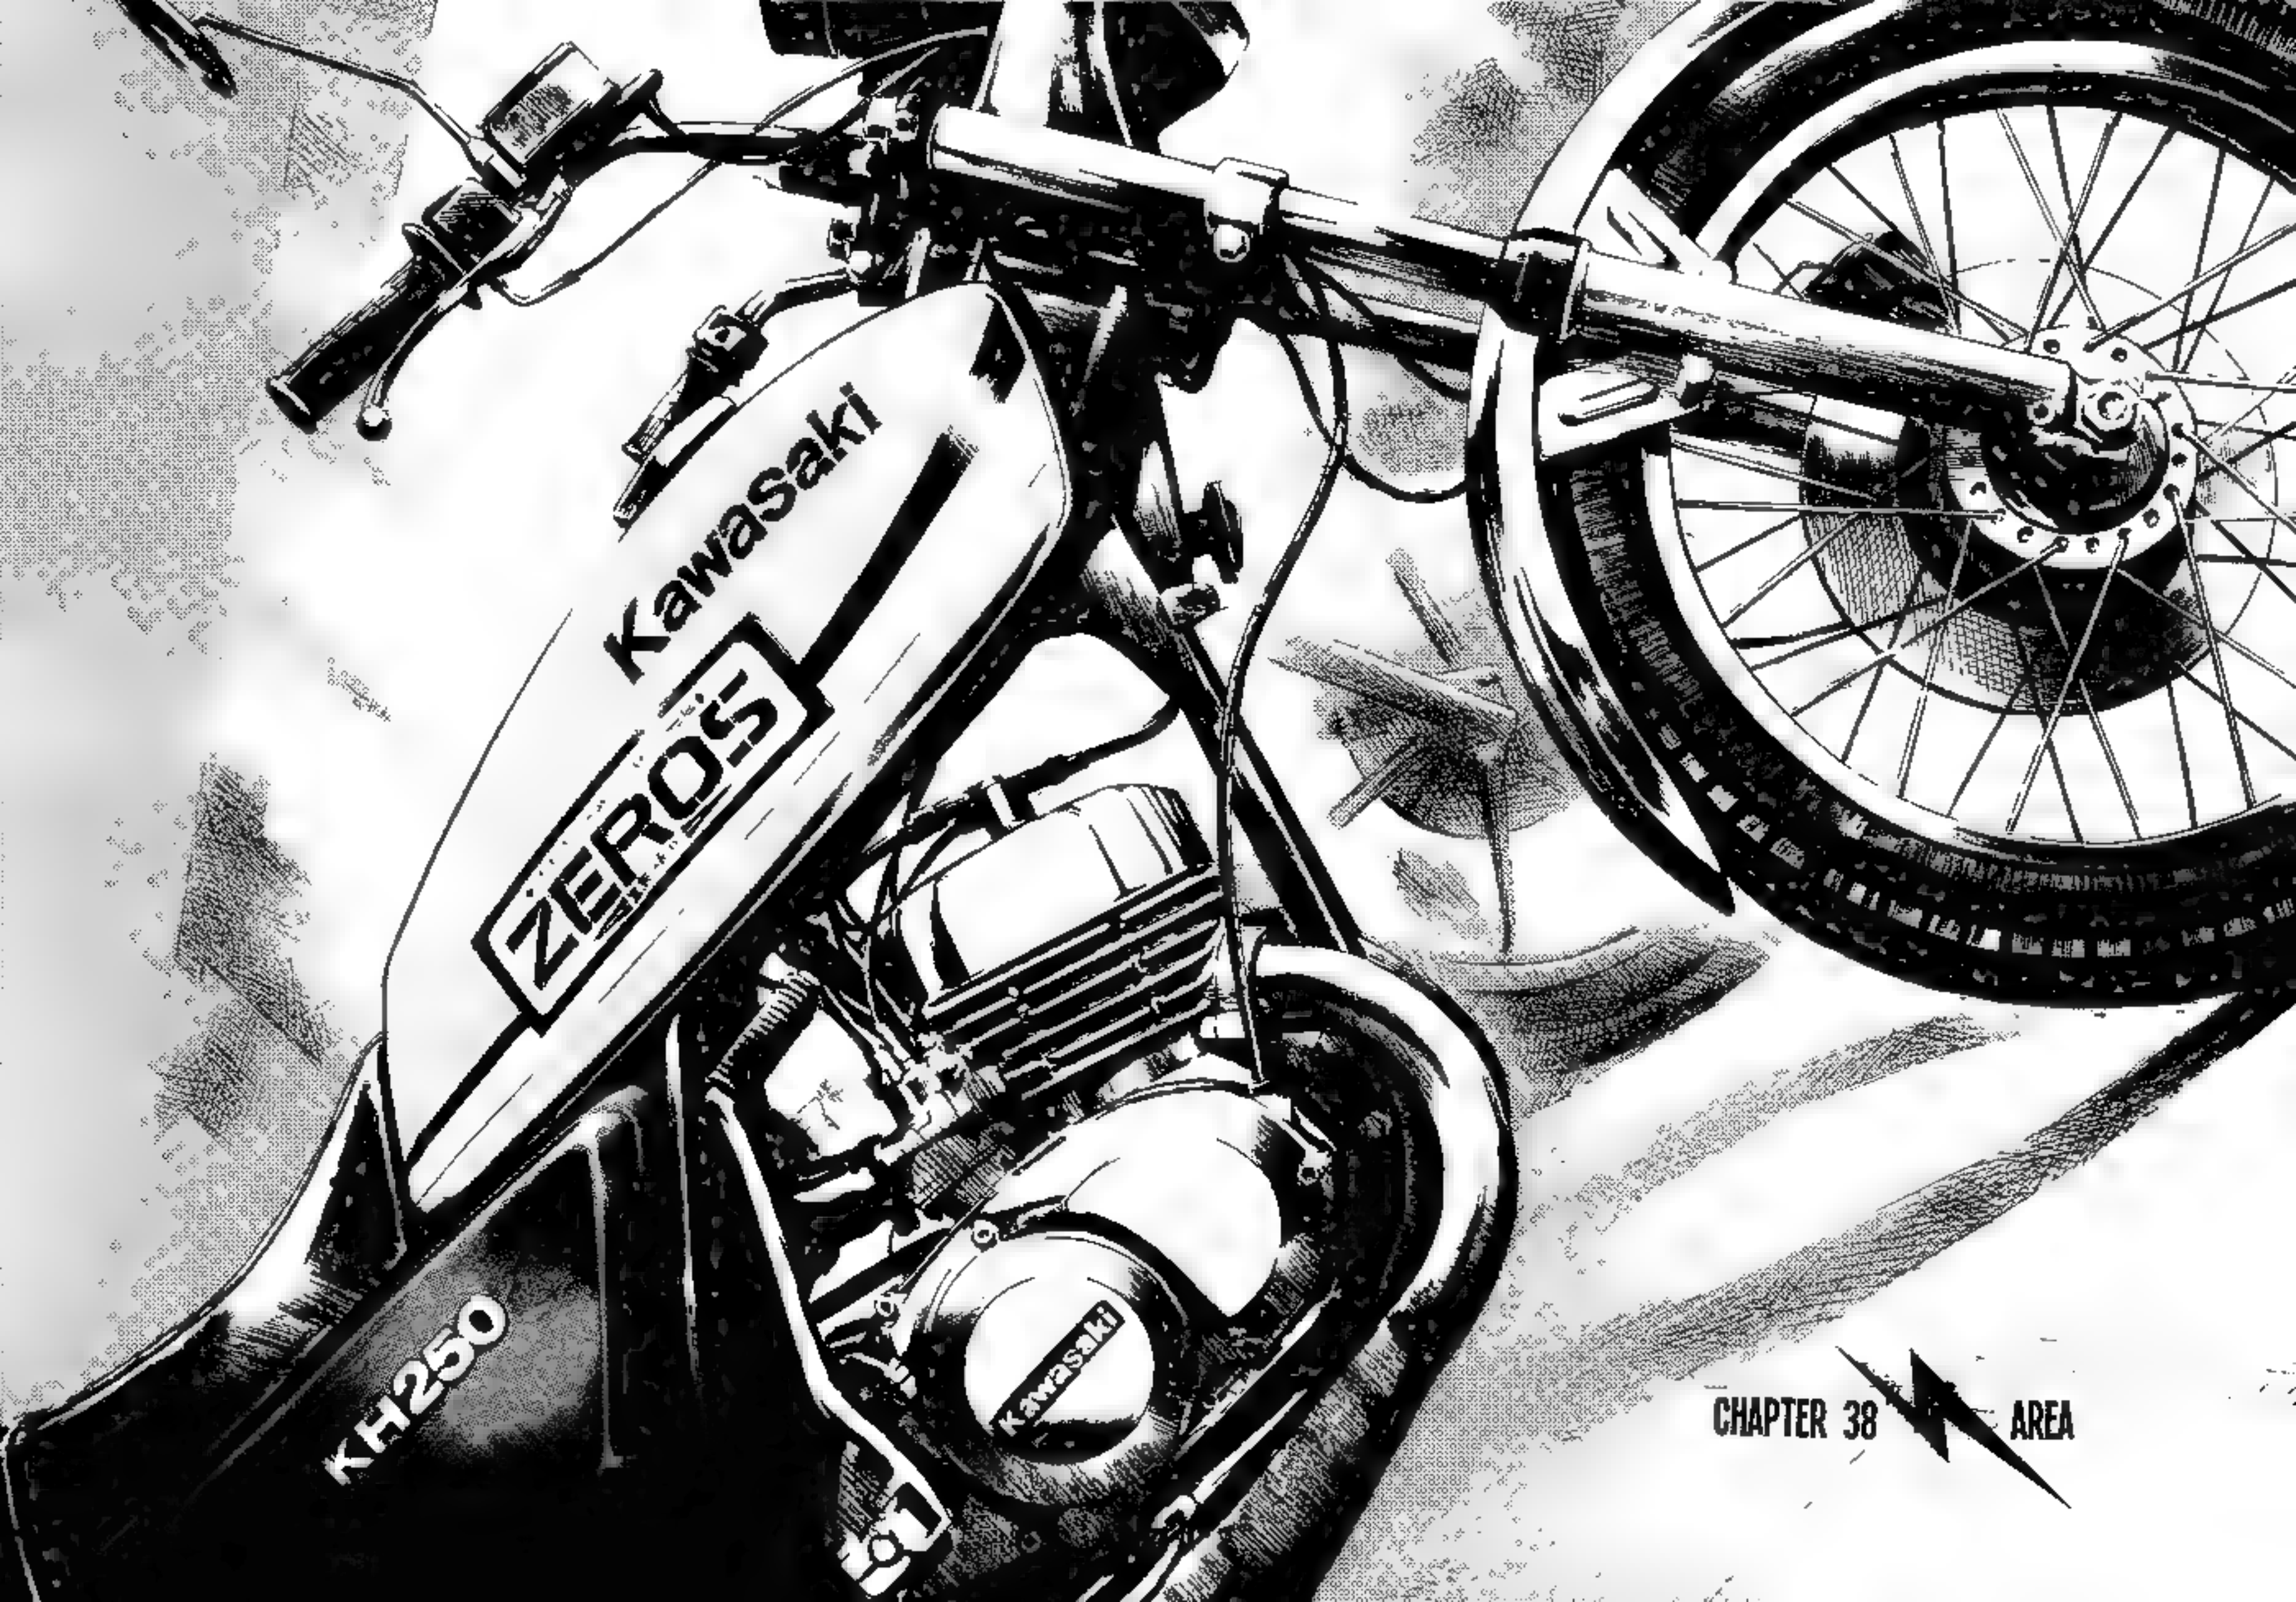
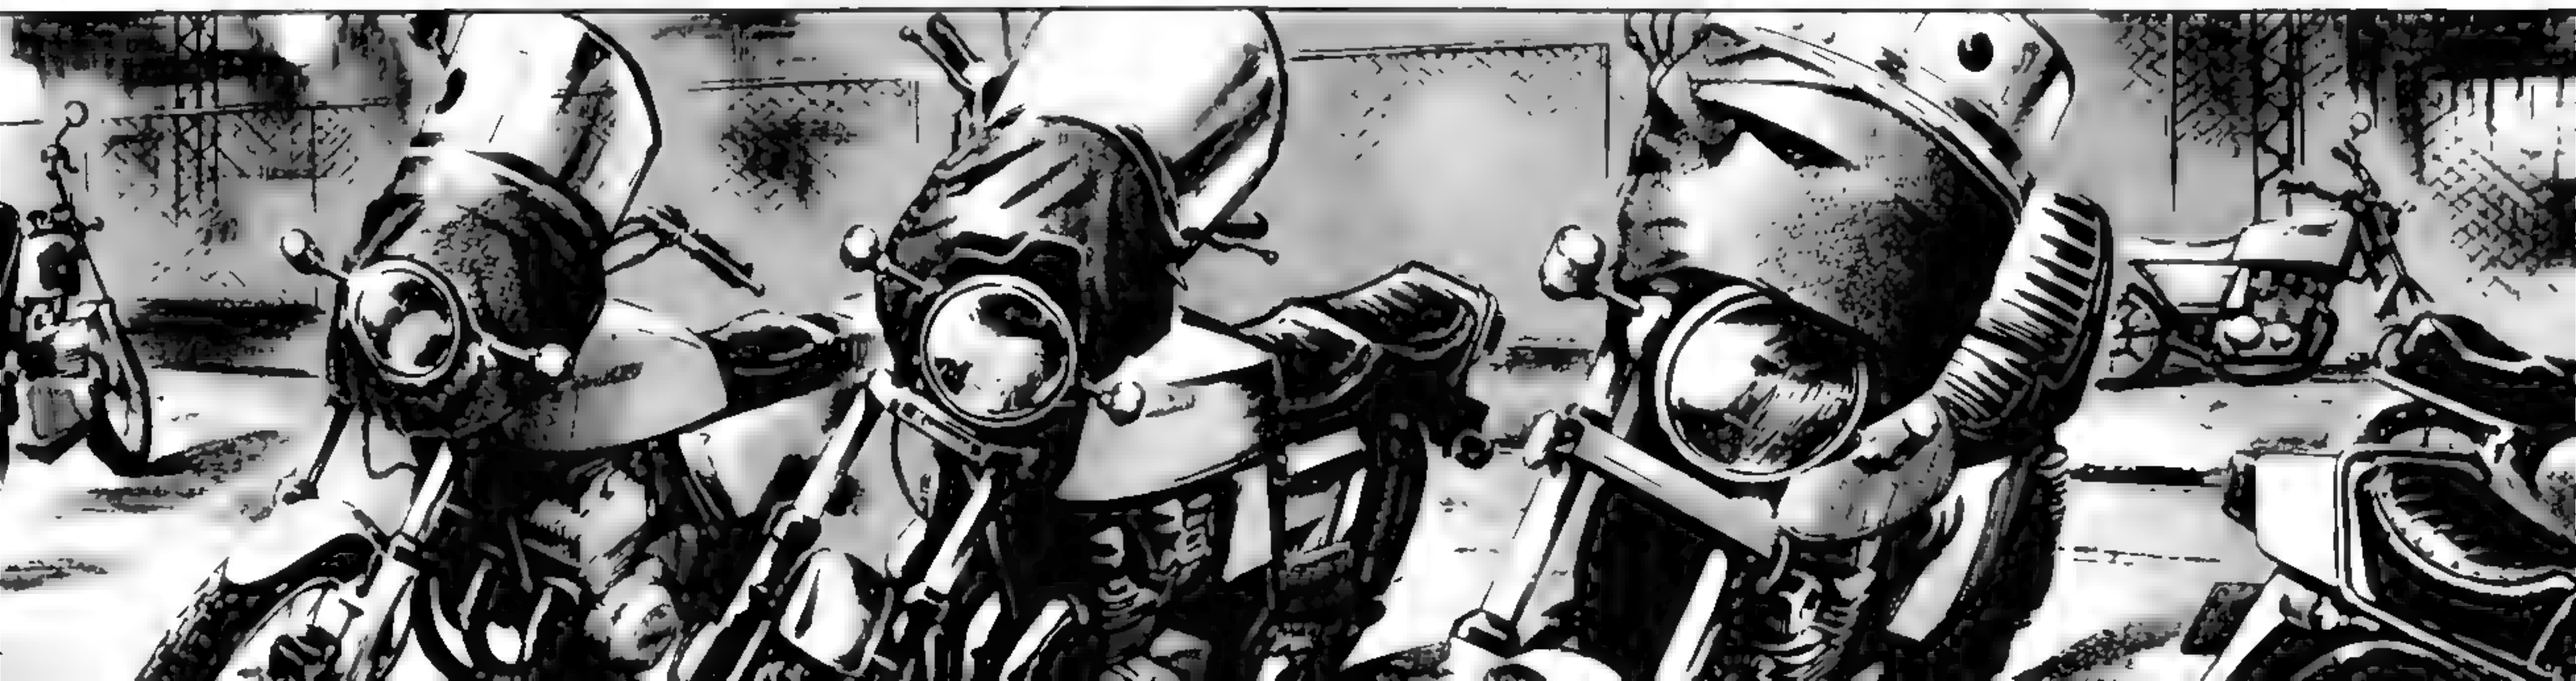
CHAPTER 37 END



CHAPTER 38 AREA



Lately, it seems that 5-6 people in can't wait for the gathering and have been riding around the Oimachi area...

Hmm?

Don't ya think that's sort of disrespectful to us?

Well, They're not letting us ride against our will...

But man, riding...

Can I even participate with a moped?

Isn't that a good thing? What's wrong with that?

Hey, You might be able to get a girl with huge tits!

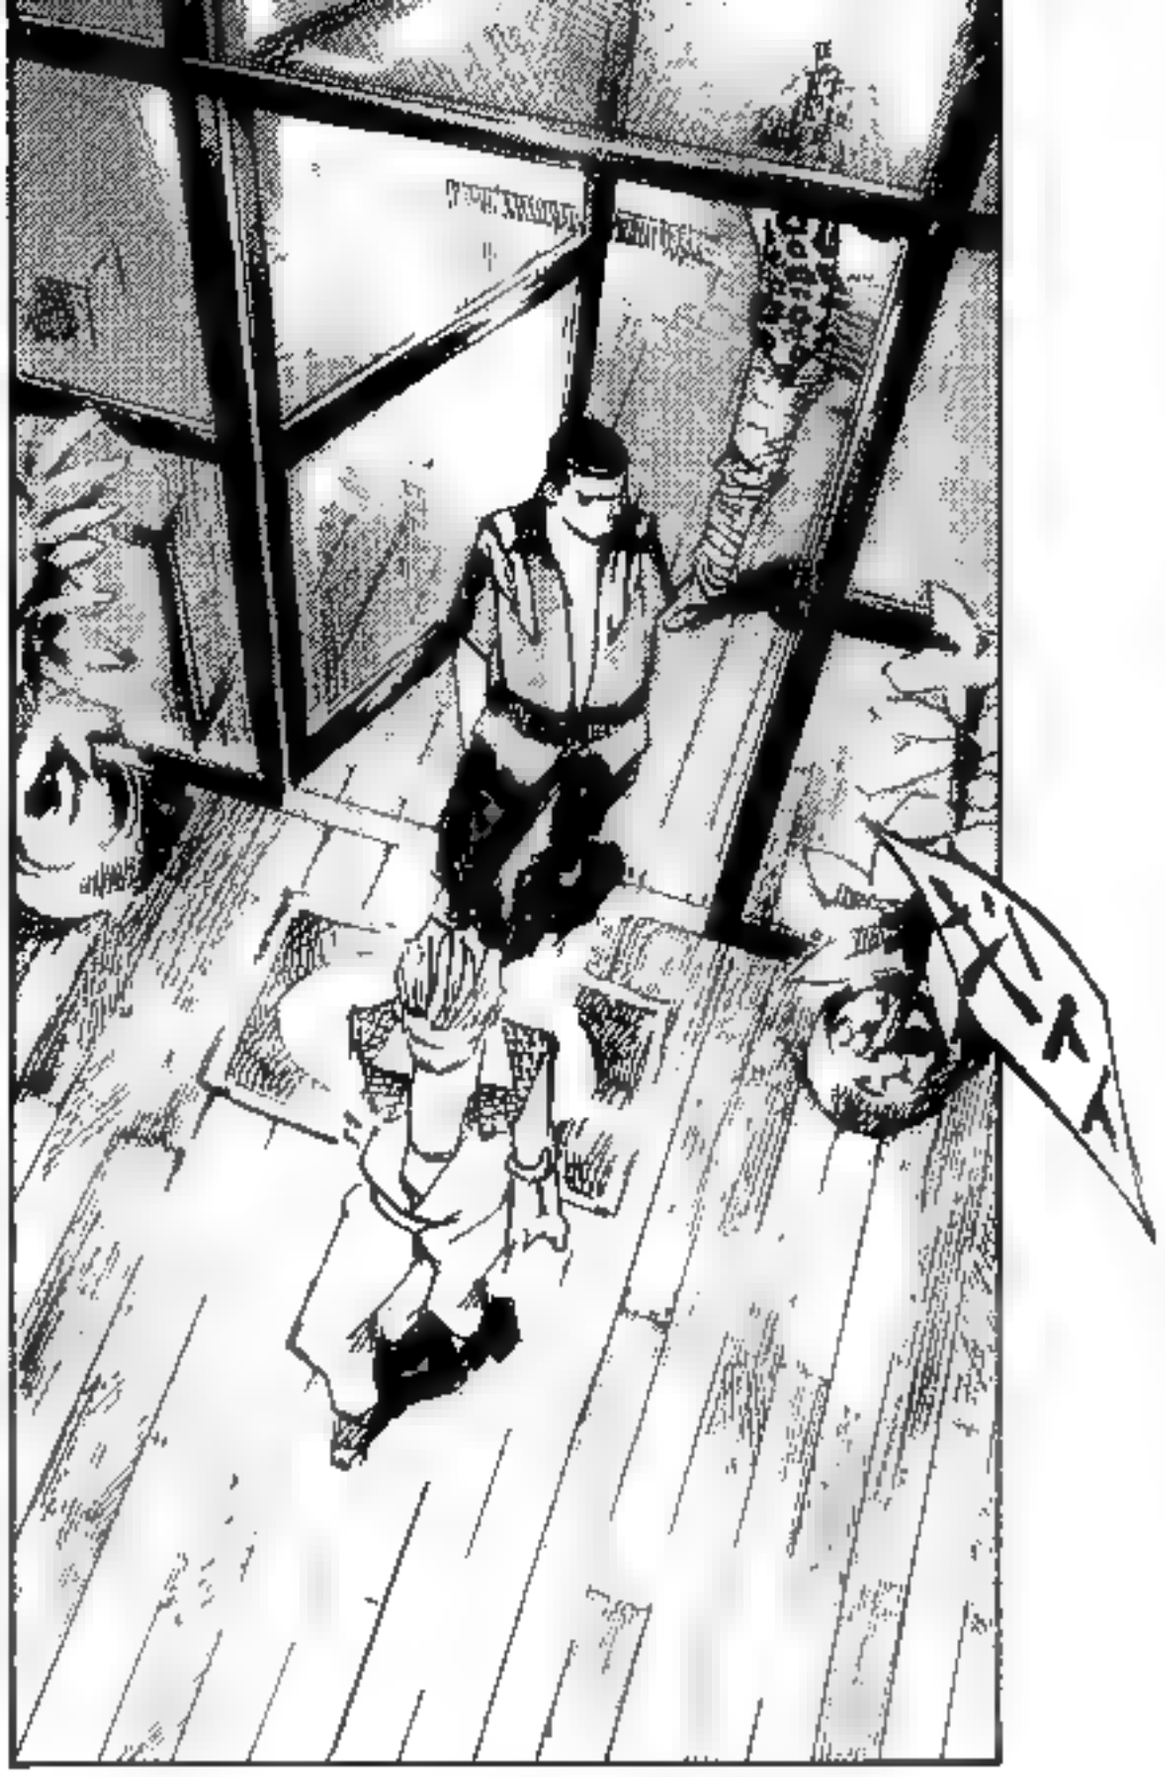
Nothing I guess...

Kazumi's got some real good ones hidden under that shirt!

Yeah, he sure will!

But even though Mopeds are fine, he'll still get angry once he finds out.

Ayase's got a temper to him...



Let me introduce you all.

This is my buddy Shinji Miyamoto from Yokohama.

Starting from the gathering on the 49th day, He'll be joining our group.

Oh!

Nice to meet you buddy!

Damn, Your hair looks like a hornets nest!

Well, Standing out is a good thing after all.

What are you going on about!?

Isn't it good to stick out?

Yo! It's Shinji Miyamoto!

Nice to meet you guys!

He said he wanted to follow the right procedures...

He went and visted their graves before coming here.

Really?

He's not that bad of a guy.

He's a good addition to the group.

Have a seat Shinji. Want something to drink?

Sure.

!

Takashi!

He's the head of the group right?

You managed to figure it out.

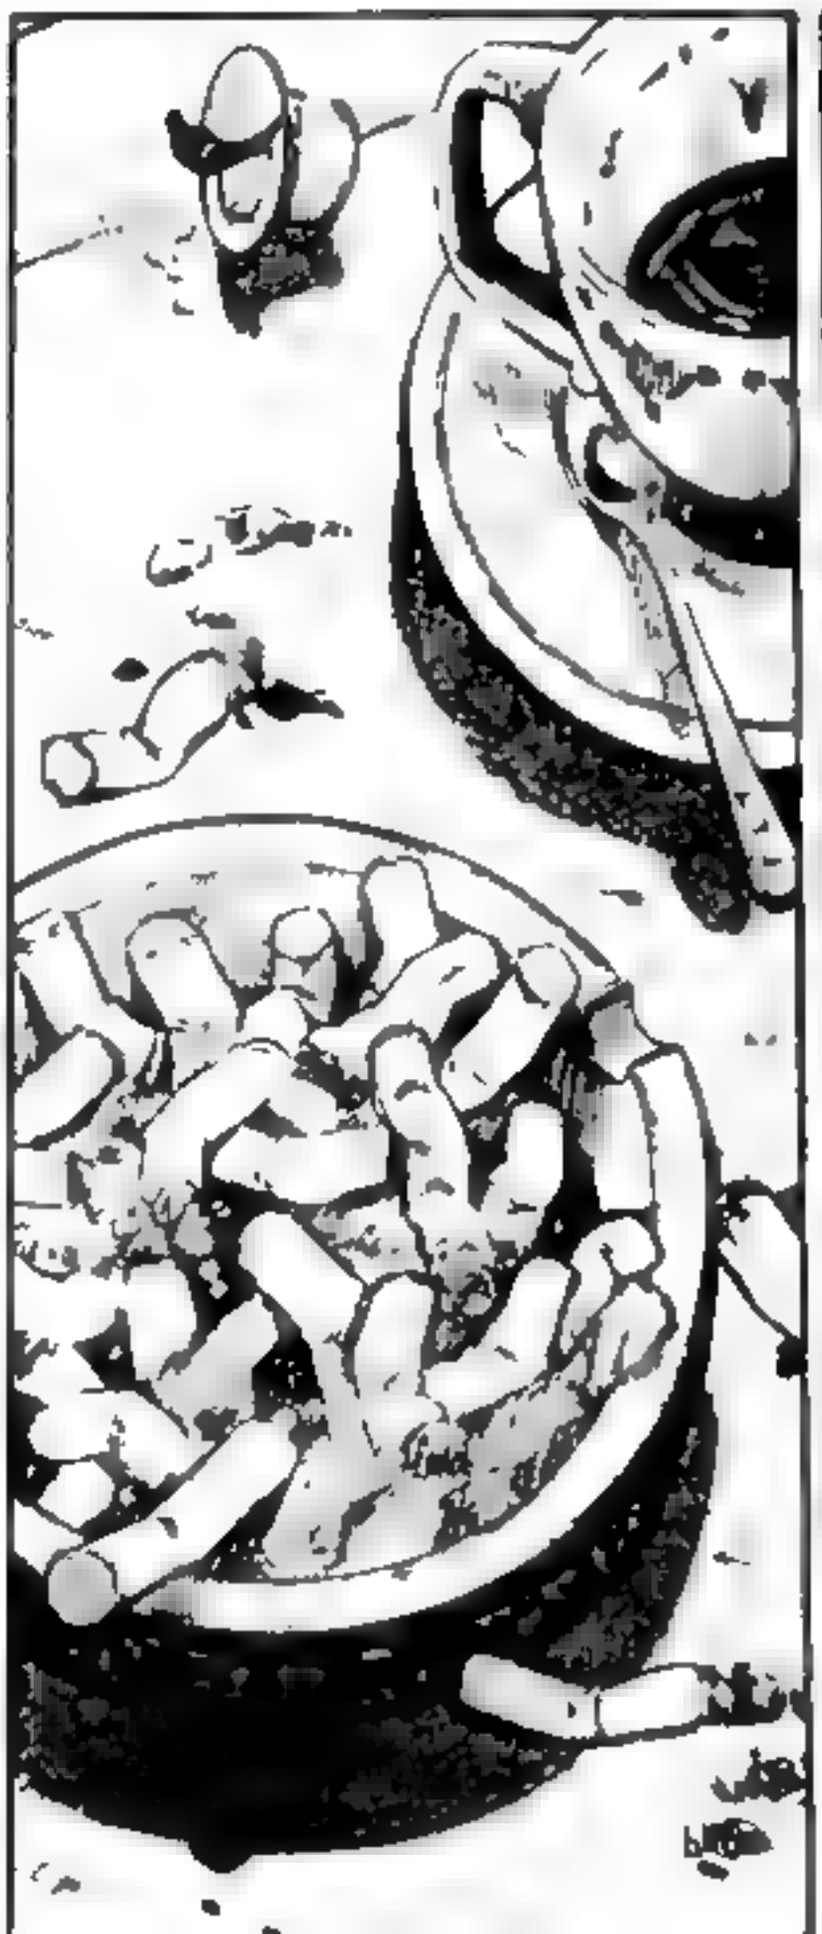
The atmosphere surrounding him compared to the others is completely different after all...

His name is Ayase.

Like-
wise.

Nice to
meet
you.

ZEROS



Yo!

How ya doin'?
Getting cold hun?

Haneda's Kuragemon,

Hmm~

Ikegami's Flying Swallows,

Since it appears we're all here... I'll start the discussion for the gathering of Goutou and Nimi's death.

We appreciate you guys for joinging us in this event

The Yuutenji, Harajuku and Heavens Jokers.

Don't worry bout it!

We're here!

The memorial gathering will take place no November 14th... We'll be gathering at the "Area" at 11 P.M.

Once we form with the guys from Ota, We'll head out immedietly towards Oimachi.

Area?

Yeah.

I'll take you over there after all this.

The place we use to hold our gatherings.

Yeah!

Ayase ....

Can I just say something?

The truth is that this week, some of our guys were jumped at Sancha by The Red Emperor.

It seem's like they're ready to go to war at any time...

THE RED EMPEROR...

紅皇帝

I'm ready to go!

Sounds good huh!

But since they are the ZEROS arch-enemy, You should be ready to fight them if the time does come.

Sure, Some of you might not have any enemies.

It seems that a fight with them can never be avoided.

If they come at us make sure you crush their heads in.

I guess so...

The Red empereor huh? That's a fun enemy!

Crush em!

Yeah!

Are you an idiot.... Another fight.....

But I'm gonna make sure to kill them.

Such a waste of time...

He's also got a different atmosphere to him...

Kazuya?

It's funny you say that... He did throw molotov cocktails at people after all...

Hahaha... A molotov cocktail huh?

Uh!

Could you all just wait a sec!

Good work today!

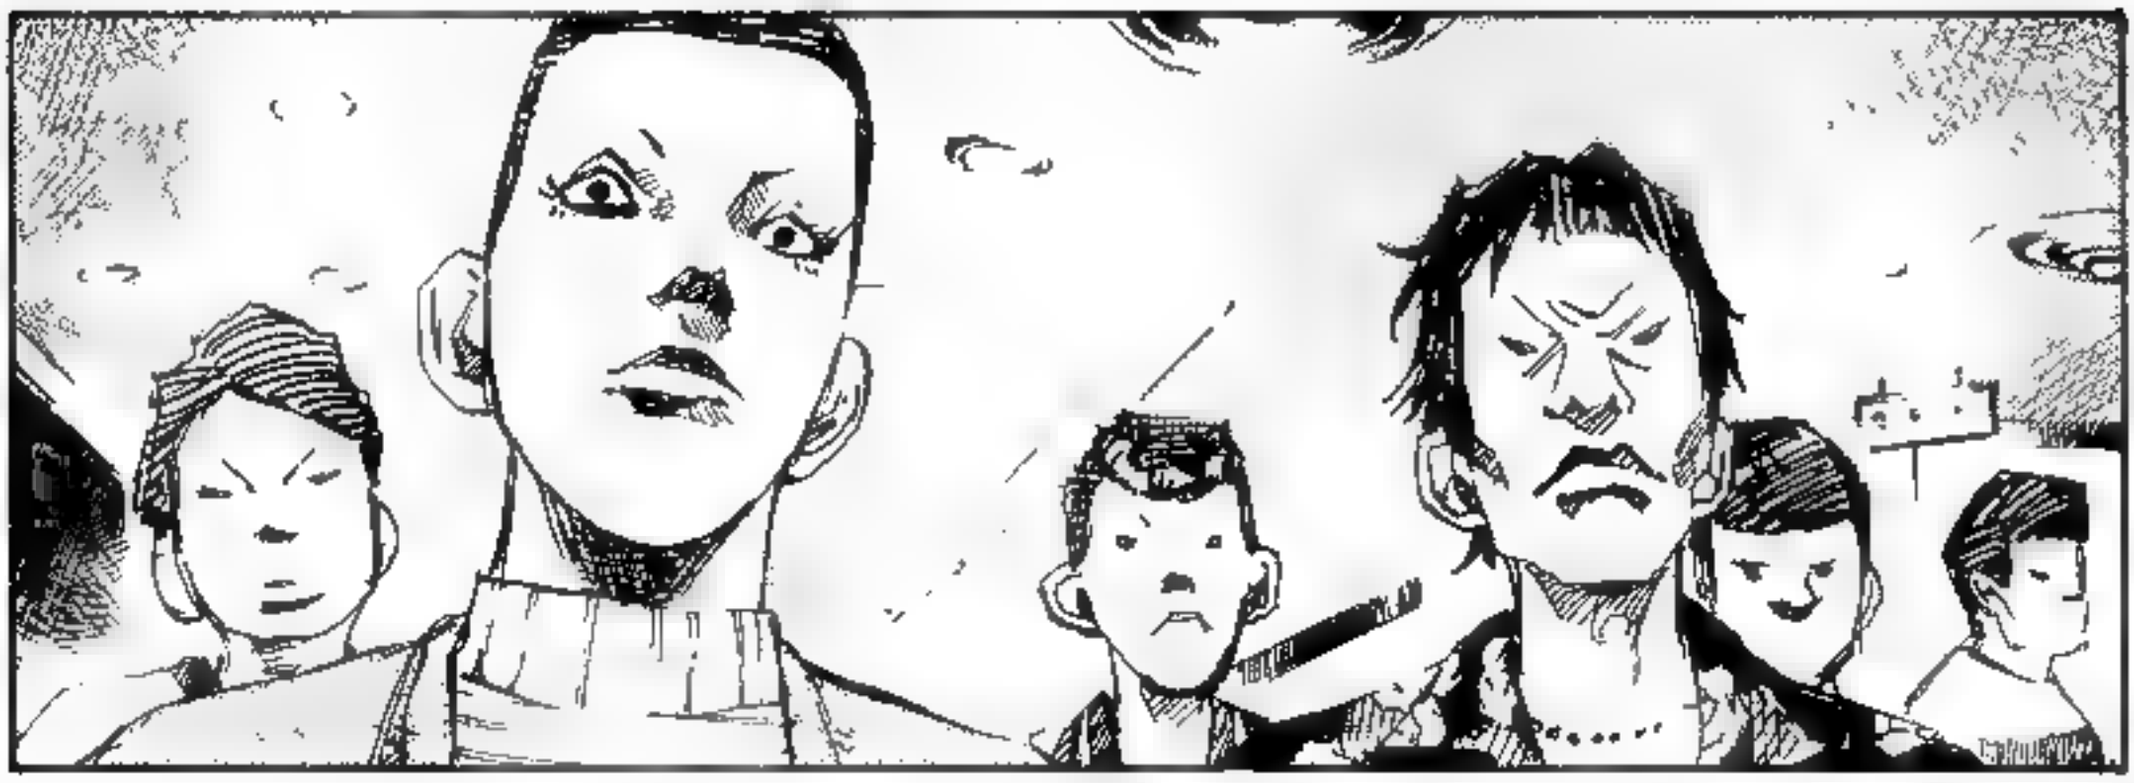
Let's get out of here~

We'll see you all there.

That's it for tonight.

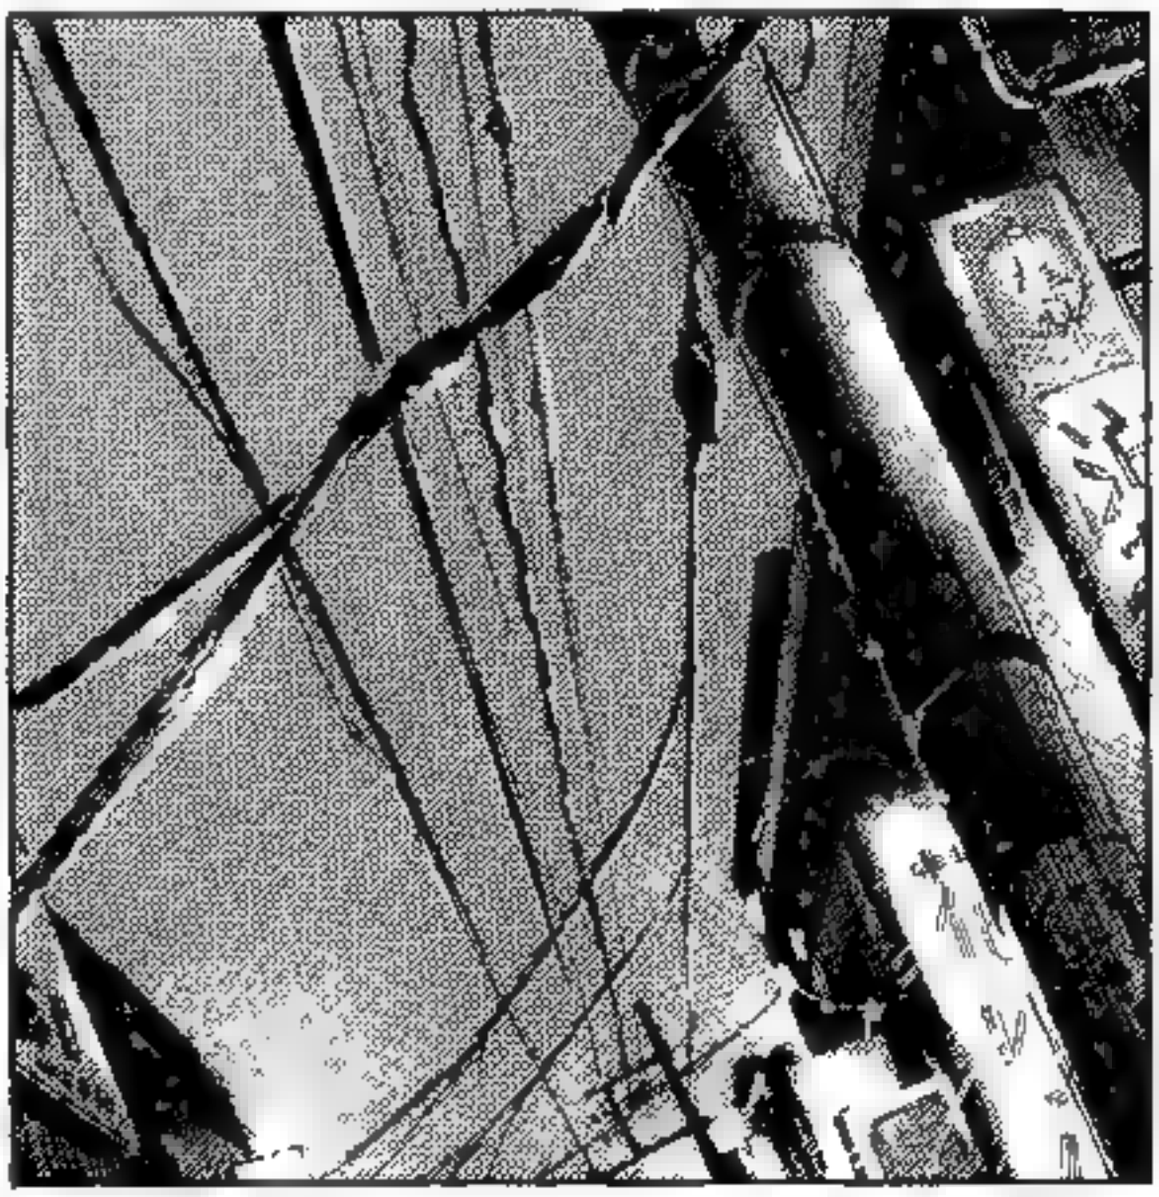
Everyone! Please make sure you pay for what you ate and what you drank!

Otherwise you'll end up throwing it all on the last person to leave!



That's right!
So, it should be fine if there's no one last right?
Wait... What kind of thinking is that....

H.. Hey!
Let's head home...
Wait a damn sec!



This is the area?

Yeah.

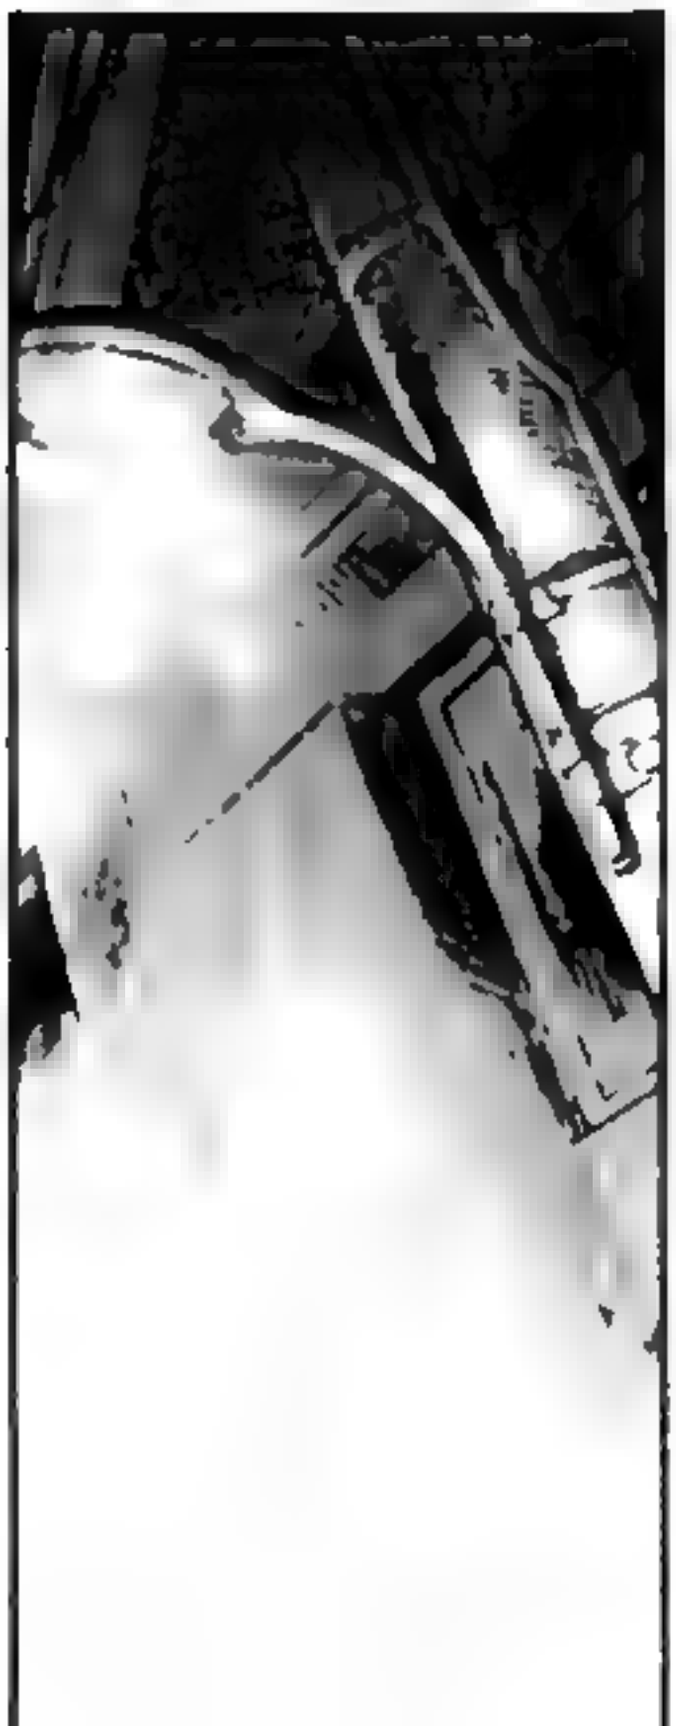
This place is the best spot to hold the gathering.

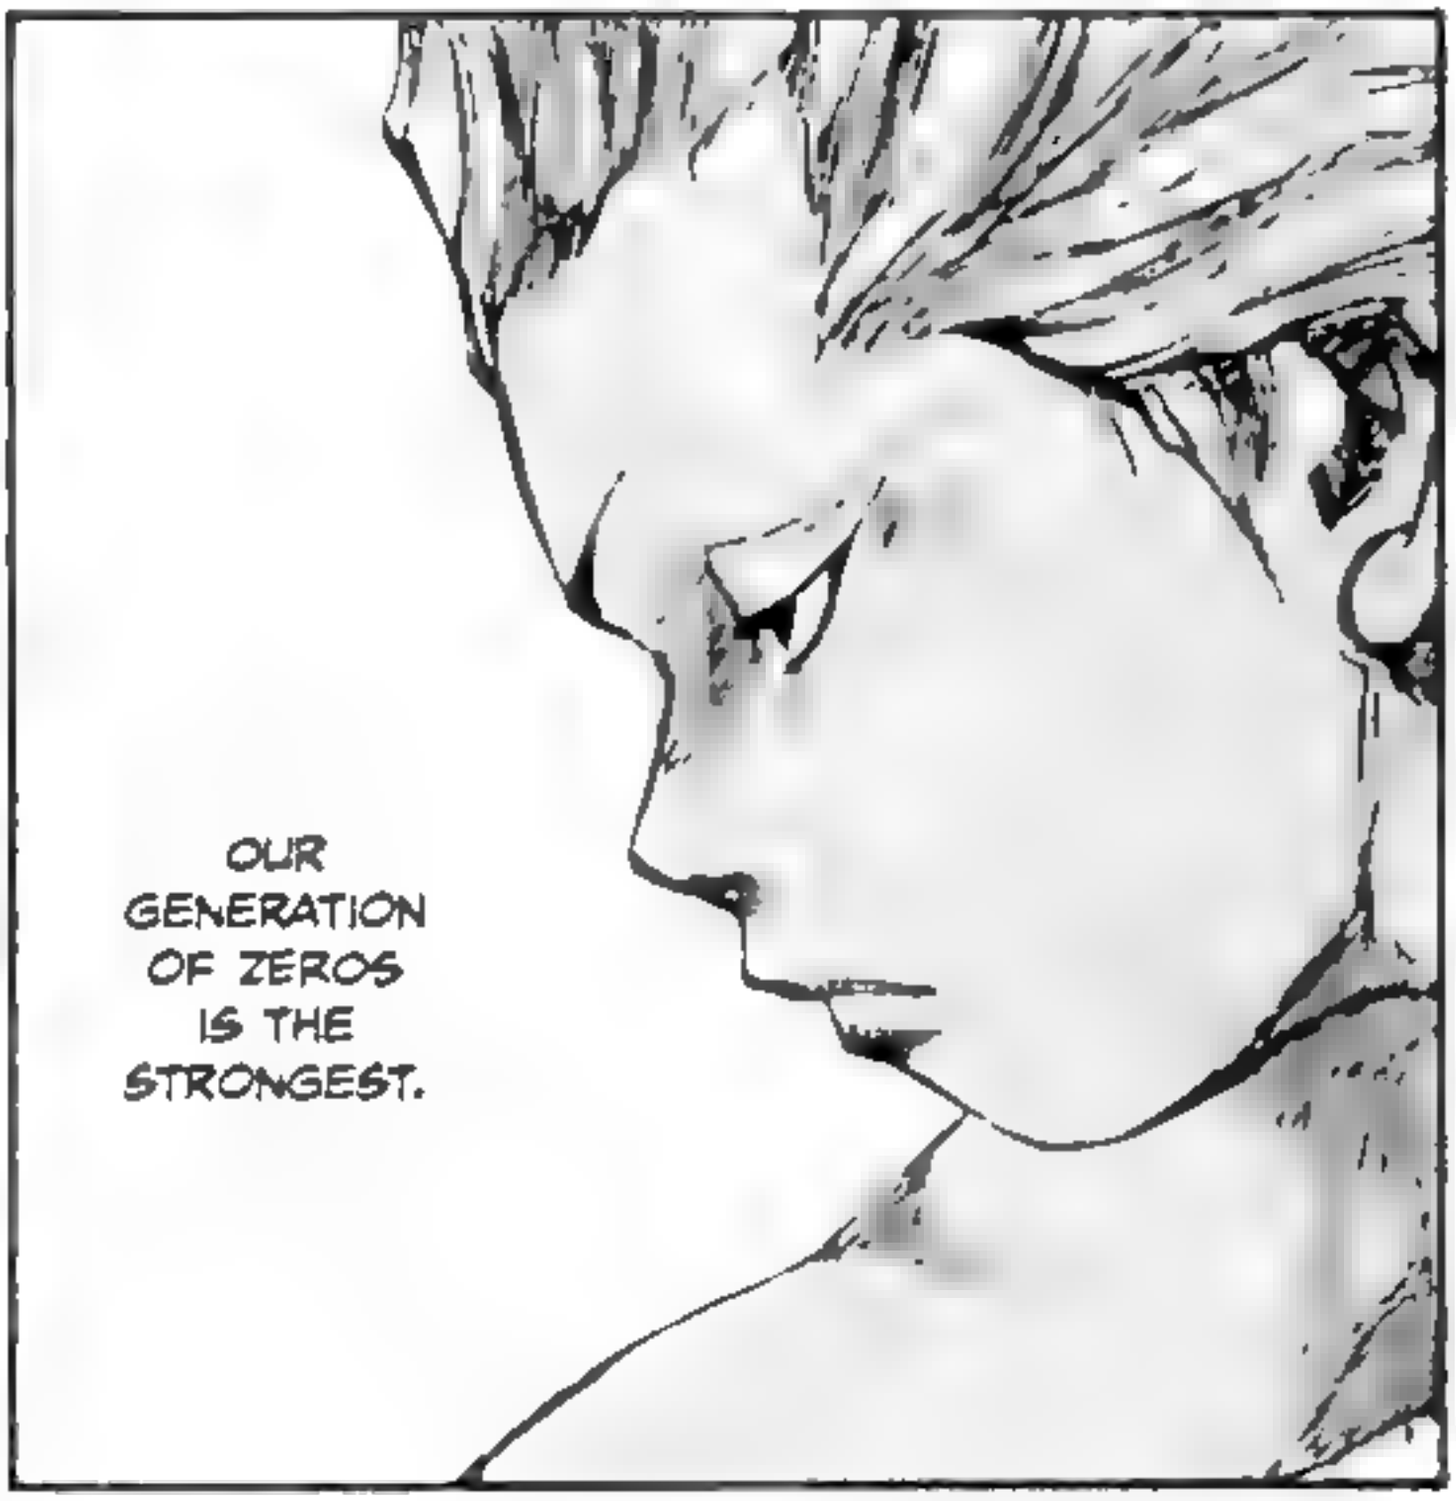
There's no private houses around here so if the police come after us you can escape in all four directions.

The main branch really is something!

It seems you guy's have everything figure out!

OUR ALLIES ARE STEADILY INCREASING...





OUR GENERATION OF ZEROS IS THE STRONGEST.

....BUT MANION...

I'M NOT USING YOUR DEATHS AS A PRETENSE...

Hey Ooki.

How much are they right now?

Haha haha

That's not what we mean!

How about this?

I'll give you guys a special deal.

You can have two for only 6000 yen.

Now that we've got some money, Let's grab some food.

Can we stop by a bathhouse or something? I feel pretty dirty...

Alright.

Alright, I'll be heading home.

Alright, We can go to my house then.

He'll probably sell off the house.

He's already quit his company.
